Dear Parents/Carers

Thank you all for your patience and understanding in response to the ongoing virus. We are taking all the steps that we can to protect our children, staff and the families at home. You will have seen the guidance that if you or any household member has any flu symptoms, then you should all self-isolate for fourteen days. If you are unsure, please contact the school for further advice.

We have taken the decision to consider our staff who are vulnerable and to ask them to remain at home. This will significantly reduce our staff numbers and may result in some classes being combined. Work is being prepared for students who are self-isolating at home and also, in preparation for a potential closure in the near future. Work will be sent home from email accounts (see below) that we have set up for each class purely for the duration of the virus. You may respond to these addresses with class work based questions only. Any other queries or questions, please contact the school via email to sao@stmprimary.org, by phone or come into the School Office.

reception@stmprimary.org  
year1@stmprimary.org  
year2@stmprimary.org  
year3@stmprimary.org  
year4@stmprimary.org  
year5@stmprimary.org  
year6@stmprimary.org

We ask parents/carers to take time to look after their families, friends and neighbours who may need help and support. Thank you for your understanding with the school's response to the coronavirus.

Yours faithfully

G Jamieson  
Head of School
