Dear Parent/Guardian,

I am writing for your assistance in maintaining the good relationship we have with our neighbours. The Governors believe that as part of our Christian mission is to get on with our neighbours. Good neighbours are considerate, tolerant and understand the needs of others and they help to build successful communities.

A number of our neighbours have recently contacted the school office to express their concerns about the poor parking at the beginning and end of the school day. Some of the behaviours are dangerous e.g. mounting the pavement in order to manoeuvre past illegally parked cars putting children and adults at risk. We have had complaints that cars have been parked across driveways causing great inconvenience.

We need to respond positively to these complaints and demonstrate our commitment to developing a strong community bond. If you do need to bring your child/children to school by car please think carefully before you park.

Yours sincerely,

Mrs C Grice
Chair of Governors

“Share the light of Jesus, by learning together and loving others”
