15th September 2017 – NEWSLETTER

Parents of Children in Year 6 – Please see below school transfer information from The Royal Borough of Greenwich regarding Primary and Secondary School Admissions for 2018

The primary and secondary admissions booklets 2018/19 are available on our website at: www.royalgreenwich.gov.uk/admissions.

Information leaflets on the admissions process are being delivered to early learning providers and primary schools over the next few weeks. Copies will also be available in libraries across the borough.

Early learning providers and schools are asked to distribute the leaflets to those families living in Royal Greenwich who need to apply for a primary or secondary place for entry in September 2018.

Most parents are applying online and are being encouraged to do so. Alternatively, parents can download a printable copy of the common application form from our website.

The deadlines for submitting applications are 31 October 2017 for secondary and 15 January 2018 for primary.

We are holding information sessions for those parents and carers who may need help in understanding the school admissions process or require support in making an application.

These sessions are being held in The Woolwich Centre Library, 35 Wellington Street, Woolwich SE18 6HQ
