Dear Parents/Carers

Parent Drop in Appointments

As a school we buy into the Greenwich Educational Psychology Service (EPS). Some of the key things we use this service for are to help us support children in their learning, provide whole school training and support teaching strategies.

This term we have decided to extend how we use the EPS and offer parents a ‘drop in’ service. The first appointments will be available between 9am – 12pm on Wednesday 28th March and open to parents who have had no previous or current EPS involvement.

Appointments can be used for parents who:

- Feel that they need some help to support their children.
- Would like some 1:1 space to speak to an Education Psychologist about concerns relating to their child.
- Might be worried about their child’s development and wanted to find out what typical development looks like.
- Would like help to develop some strategies to support children at home.

If you would like an appointment, please complete the attached form and return it to the School Office no later than Wednesday 21st March.

Appointments are confidential between yourself and the Educational Psychologist and will be allocated on a first come first served basis.

If you have any further questions, please feel free to email me senco@stmprimary.org

Kind regards,

Miss A O’Brien
Special Education Needs and Disability Co-ordinator (SENDCO)

Please complete and return to the School Office no later than Wednesday 21st March

Child’s name: ___________________________ Year: ___________________________
I would like to see the school Educational Psychologist on Wednesday 28th March between 9am – 12pm.
